## Footnotes:

\*Data is based on the total number of distinct workshop participants (1,635) at the Round 1 & Round 2 workshops. Participants are counted only once even if they attended more than one workshop. Also, participants of the three beta-test workshops, distillation meeting and five *Contra Costa: Shaping Our Future* subregional workshops are not included in this count. Total numerical participation of all Smart Growth workshops exceeded 2,000.

Percentages are rounded to the nearest tenth percent.
